FRISCO,
TX

I am transitioning from my 16-year career developing businesses into a Software Developer role. I am certified as a Software Tester by the ISTQB as well as certified by AWS as a Cloud Practitioner. I am seeking a role in which I can further develop my programming skills.

CERTIFICATIONS

- AWS Cloud Practitioner
- ISTQB Certified Tester
- Full stack developer course focused on HTML, CSS, Bootstrap, JavaScript, SQL, MongoDB, Node.JS, and APIs.
- LUA fluent

SKILLS

Operations
- Created systems that improved efficiency currently in place across the US.
- Optimized inventory management to minimize loss and increase profitability.
- Traveled to high value events to optimize execution of selling processes.

Technical skills
- Proficient in MS Office and Google suite.
- Certified AWS Cloud Practitioner.
- SAP experience.
- Proficient in Workday.
- IT system troubleshooting that handled payments and internal network.
- Proficient in HTML, CSS, Bootstrap.

COURSES

- Complete Web Development Bootcamp by Dr. Yu
- Ultimate AWS Certified Cloud Practitioner by Stephane Maarek 2022
- Certified tester Foundation Level by Maged Koshty 2022
- JavaScript Basics by Mosh Hamedani
- Unity Game Development by Unity Technologies 2023

SKILLS

- Proficient in HTML, CSS, Bootstrap, SAP, Workday.
- Entry level - JS, LUA, SQL, MongoDB, Unity 3D, C#.
- Experienced in creating Game Servers.

EXPERIENCE

Store Director, Gucci

(11.12-present)
- Enabled a learning environment that empowered personal growth that led to internal promotions to corporate level team members.
- Analyzed historical business and leveraged market drivers to improve key KPIs.

Associate Director, Michael Kors

(11.10-11.12)
- Led opening of 4 locations in the market by collaborating with Marketing, Executives, and Finance.
- Held the highest sales achievement that drove profitability for shareholders upon becoming a publicly traded organization.
